Happy New Year!

This week

It was great to see the children back in school sharing the fun they had over the break. This week in assembly we looked at photographs from around the world which showed some of the difficult journeys some children have just to get to school; the children found really interesting including children who walked across a wooden plank across a cliff and makeshift rafts when children in some countries have to make their way to school across flooded areas. This week we have introduced our 3 new rules to the children: Ready, respect and safe. The children have spent time thinking about what is expected for all 3 rules in class, the playground, corridors, assembly and before and after school. In assembly we talked about it is their own responsibility as to whether they make a right choice or a wrong choice but that if they chose to make a wrong choice then there will be a consequence.

We have also focused on learning behaviours and fair isn't equal, fair is when everyone gets what they need. The children have taken part in some fantastic team building activities to help them understand how important the learning behaviours are and to help them understand and accept that sometimes for example children and adults need more support, need something explained in a different way, need a different consequence or a different learning task. The children also designed their ideal world which were so well thought out and imaginative!

Missing Scooter

We have a missing Scooter that was left in the KS2 Bike rack overnight on Thursday 10th January. The Scooter is a bright green stunt scooter. Can you please check in case it has been taken home mistakenly.

Communication

Please remember if you have a question or concern please come in and ask your child's teacher or one of the leadership team. If you can't come into school please telephone or email the school office or your child's teacher. If your email is for me I respond normally the same day that it has been passed to me. If ever you email in and get no response please come and ask as it maybe your email has gone into our junk mail.

We have had some concerns raised by parents where another parent has told them something has happened. Please do come in and ask as we can then investigate this for you. Please do not approach other parents as this can cause upset and distress to parents and children.

I am always grateful to receive feedback from parents as we can't share reasons or think about further improvements without this.

Parking and Safety

If you drive into school to drop your child at breakfast club or to collect from after school club, please park in the spaces on the left hand side as you drive through the gate. Please do not park in the wider section by the main doors. Hopefully if parents remember to park in these spaces we will not need to lock the gates at other times.

I am currently working on the suggestion made by a parent to support safer parking.

Please do not park opposite the school gates as our Lollipop Lady cannot see all oncoming traffic which puts our children's safety at risk.

Safeguarding and health and safety including online safety

We have some children in school with severe allergies. Please do not bring dogs onto school grounds.

We take safeguarding very seriously in school as we want every child to feel safe in school. If you need to come into school for any reason please come in via the school office so that you have signed in. We have updated our child protection policy and new safeguarding guidelines expect schools to have at least 2 contact numbers for every child in school. Please can you make sure you have given 2 phone numbers to the school and update these if you change your number.

If you are concerned about the safety of any children we have 4 designated safeguarding leads in school: Jules Riding, Mrs Morley, Mrs Caplan and Miss Douglas-Law-please share any concerns with them or please ring 0300 1234043

Smoking

Can parents please refrain from smoking around the school gates and be mindful where they dispose their cigarettes.

Punctuality

Please could you support your child by making sure they arrive on time. It is unsettling for them if they arrive after the lesson has started. This will also be monitored by the Local Authority attendance officer

Stay and Learn and Reading Breakfasts

Over the school year classes in Years 1-6 will be holding stay and learn and reading breakfasts where you are invited to join in practical activities for stay and learn and for reading breakfasts to enjoy a book with your child over a light breakfast.

Attendance- OVER 95%!!!

Thank you to the majority of parents who have supported their children in coming to school regularly. For the first time in over 5 years' attendance is now at just over 95%. Nearly every child returned to school on Tuesday which is fantastic! This is really supporting the children's progress in school.

If, despite informing you of low attendance and offering support your child's attendance continues to be of concern you will receive a letter to each parent stating that you are at risk of a penalty notice being applied.

Please support your child by ensuring your child comes to school every day not just for their learning but also for their social development. If there is any support you need or would like to discuss how to improve your child's attendance please don't hesitate to contact me.

The following classes have achieved 95% and above attendance this week;

6MJ – 98.6%

5JL – 97.3%

3/4AM – 97%

3/4KK – 96.8%

Open Door Policy

Please remember we have an open door policy; teachers are happy to meet with parents before and after school, please email the teacher or ask them at the end of the day. I am always happy to meet with parents or talk on the phone as it is important that you feel listened to and sometimes events shared are slightly different to what has happened in school. We do have some parents that work in school but please avoid putting them in a difficult position by asking them about information within school. It is important that staff and parents trust each other and I take confidentiality very seriously. If you have a concern please speak to your child's class teacher or a member of leadership team; Mrs Caplan, Miss Jennings, Mrs Kent, Miss Douglas-Law or myself.

After School and Breakfast Club

To ensure our financial system aligns with all other MAT schools all sessions for breakfast and after school club must be made in advance before a child can attend. Please ask at the school office for information. We currently use parent mail for payments as this offered best value for money. Please so let me know if you have any problems with using this and I will look into it.

School Uniform and Ordering

We are now set up online for school uniform ordering. There is a link on the school uniform page on the school website that takes you to the site, we also sent instructions out to you on an email. If you would like a hard copy please contact the school office. We do still have some stock in school but have limited sizes.

Please make sure your child wears the correct school uniform to school including black shoes not trainers and school blue or plain black hair bows. This helps children have a sense of belonging in school.

School uniform is trousers, shorts, skirts, pinafores, please do not send your child to school wearing leggings.

School Lunches

Next week is week 2. If your child brings in a packed lunch please make sure they do not bring in peanut butter sandwiches or Nutella as we have children with severe allergies. Children in Years Reception to Year 2 are entitled to Universal Free School Meals and can have a free school lunch every day.

Break time Snacks

We endeavour to promote healthy eating at break times, we have noticed that some children are bringing in packets of crisps and chocolate bars. We ask that you do not send your child into school with unhealthy snacks and swap them for fruit, raisins, rice cakes, fruit bars.

Dates for next term

6MJ Class assembly	Wednesday 16 th January 9.15am
6LH Class assembly	Wednesday 30 th January 9.15am
5JL Class assembly	Wednesday 6 th February 9.15am
