## Friday 25<sup>th</sup> January 2019

### **This week**

This week the children have had an exciting time carrying out science and maths investigations and enjoying school trips to the science museum or workshops in school. Years 5 and 6 went to the science museum on the train which is an important life skill and I would like to thank all parents for giving their children the chance to go on the trips as they really do support your children's learning. The children were very keen to make the slime, if they came in with £1 they were able to take it home.

In assembly this week I shared a story starting from 1668 when Captain Coram started schools for boys and girls that otherwise wouldn't have been able to go to school. We also reinforced our school rules and the expectation we have for all children in school. Children are increasingly taking responsibility for their behaviour and all were able to understand that the only person who is responsible for them making the right or wrong choices is themselves.

### **Junior Leadership Team**

We would like to introduce our new Junior Leadership Team (Mya, Dylan, Alex, Joshua, Nakeesha, Kiera, Jessie, Olivia, Joshua S, Myleen)

Congratulations to;

Mya – Head Girl

Dylan – Deputy Head Girl

Alex – Head Boy

Joshua – Deputy Head Boy

### **Snow**

We try as far as possible to keep the school open when it snows. Many parents work and are still expected to go to work and many countries have far more snow than us and unless really extreme weather the children go to school. We will keep the school website updated. We do send text messages if school were to close but often there is a delay as so many schools are sending messages at the same time. We will also notify Hertfordshire who will include any updates on their website.

If it has snowed or if the playground is very icy then staff will be outside to direct the children through the main doors at the front and back of school.

### **Nursery Applications**

Applications for Nursery places are now open until 22<sup>nd</sup> February. If you have a child that is due to start Nursery in September 2019 you need to apply directly with your chosen school office. Please contact our school office if you would like application forms for Oxhey Wood School or visit the Admissions page on our school website.

## **Head lice**

Head lice unfortunately enjoy visiting children's hair. Please check your child's hair regularly to check for any eggs or live lice. If you would like any advice on how to treat head lice please ask at the school office or speak to Jules.

## **Help in school**

We are always grateful of any help in school; this can be for reading, helping on trips, cooking, art or with fundraising. If you would like to help please ask at the office so that we can complete a DBS check for you. When we go on school trips we take school staff as far as possible but often still need some help. In following health and safety guidance where possible we avoid parents going on trips with their child's class.

## **Communication**

Please remember if you have a question or concern please come in and ask your child's teacher or one of the leadership team. If you can't come into school please telephone or email the school office or your child's teacher. If your email is for me I respond normally the same day that it has been passed to me. If ever you email in and get no response please come and ask as it maybe your email has gone into our junk mail.

We have had some concerns raised by parents where another parent has told them something has happened. Please do come in and ask as we can then investigate this for you. Please do not approach other parents as this can cause upset and distress to parents and children.

I am always grateful to receive feedback from parents as we can't share reasons or think about further improvements without this.

## **Parking and Safety**

If you drive into school to drop your child at breakfast club or to collect from after school club, please park in the spaces on the left hand side as you drive through the gate. Please do not park in the wider section by the main doors. Hopefully if parents remember to park in these spaces we will not need to lock the gates at other times.

I am currently working on the suggestion made by a parent to support safer parking.

Please do not park opposite the school gates as our Lollipop Lady cannot see all oncoming traffic which puts our children's safety at risk. The local police have said they will try as often as possible to spend time outside school to encourage parents to park safely. If you park too near the junction with Gosforth Lane this could lead to a parking ticket.

## **School Lunches**

Next week is week 1. If your child brings in a packed lunch please make sure they do not bring in peanut butter sandwiches or Nutella as we have children with severe allergies. Children in Years Reception to Year 2 are entitled to Universal Free School Meals and can have a free school lunch every day.

## **Open Door Policy**

Please remember we have an open door policy; teachers are happy to meet with parents before and after school, please email the teacher or ask them at the end of the day. I am always happy to meet with parents or talk on the phone as it is important that you feel listened to and sometimes events shared are slightly different to what has happened in school. We do have some parents that work in school but please avoid putting them in a difficult position by asking them about information within school. It is important that staff and parents trust each other and I take confidentiality very seriously. If you have a concern please speak to your child's class teacher or a member of leadership team; Mrs Caplan, Miss Jennings, Mrs Kent, Miss Douglas-Law or myself.

## **Safeguarding and health and safety including online safety**

We have some children in school with severe allergies. Please do not bring dogs onto school grounds.

We take safeguarding very seriously in school as we want every child to feel safe in school. If you need to come into school for any reason please come in via the school office so that you have signed in. We have updated our child protection policy and new safeguarding guidelines expect schools to have at least 2 contact numbers for every child in school. Please can you make sure you have given 2 phone numbers to the school and update these if you change your number.

If you are concerned about the safety of any children we have 4 designated safeguarding leads in school: Jules Riding, Mrs Morley, Mrs Caplan and Miss Douglas-Law-please share any concerns with them or please ring 0300 1234043

## **Smoking**

Can parents please refrain from smoking around the school gates and be mindful where they dispose their cigarettes.

## **Punctuality**

Please could you support your child by making sure they arrive on time. It is unsettling for them if they arrive after the lesson has started. This will also be monitored by the Local Authority attendance officer

## **Stay and Learn and Reading Breakfasts**

Over the school year classes in Years 1-6 will be holding stay and learn and reading breakfasts where you are invited to join in practical activities for stay and learn and for reading breakfasts to enjoy a book with your child over a light breakfast.

## **Attendance- OVER 95%!!!**

Thank you to the majority of parents who have supported their children in coming to school regularly. For the first time in over 5 years' attendance is now at just over 95%. Nearly every child returned to school on Tuesday which is fantastic! This is really supporting the children's progress in school.

If, despite informing you of low attendance and offering support your child's attendance continues to be of concern you will receive a letter to each parent stating that you are at risk of a penalty notice being applied.

Please support your child by ensuring your child comes to school every day not just for their learning but also for their social development. If there is any support you need or would like to discuss how to improve your child's attendance please don't hesitate to contact me.

The following classes have achieved 95% and above attendance this week;

3/4AM – 97.9%

5AL – 97.7%

6LH – 96.8%

6MJ – 95.2%

3/4JB – 95.2%

## **After School and Breakfast Club**

To ensure our financial system aligns with all other MAT schools all sessions for breakfast and after school club must be made in advance before a child can attend. Please ask at the school office for information. We currently use parent mail for payments as this offered best value for money. Please so let me know if you have any problems with using this and I will look into it.

## **Break time Snacks**

We endeavour to promote healthy eating at break times, we have noticed that some children are bringing in packets of crisps and chocolate bars. We ask that you do not send your child into school with unhealthy snacks and swap them for fruit, raisins, rice cakes, fruit bars.

## **School Uniform and Ordering**

We are now set up online for school uniform ordering. There is a link on the school uniform page on the school website that takes you to the site, we also sent instructions out to you on an email. If you would like a hard copy please contact the school office. We do still have some stock in school but have limited sizes.

Please make sure your child wears the correct school uniform to school including black shoes not trainers and school blue or plain black hair bows. This helps children have a sense of belonging in school.

School uniform is trousers, shorts, skirts, pinafores, please do not send your child to school wearing leggings.
