Have a great half term!

This week

This week some of our Year 5 and 6 children have been in Tenerife experiencing a school as part of our Erasmus project. It was great to see that parents have visited the Watford History Museum to look at the amazing heritage boxes the children with your support have put together. The children have been so proud when they have shared them in school. The school football team visited Warren Dell this week to meet Jamie Redknapp who answered questions about his career and aspirations.

After half term

The children return to school on Monday 3rd June. This is our sports week. Miss Hall has planned some exciting activities for all classes so please make sure your child has their PE kit in school every day. At the end of the week we have sports day. Nursery and Reception is on Thursday 6th June with Years 1 and 2 on Friday 7th June in the morning and Years 3-6 in the afternoon. We have changed the structure slightly this year after listening to feedback from parents. There will still be the round robin challenges that the children complete in groups but all children will also join in with races. For example while Year 1 are racing, year 2 will be completing the round robin activities and they will then swap. There will be a BBQ lunch available for children and parents during the lunch hour on these days and prices start at £2, if you are not attending please send the money in with your child in a clearly marked envelope., otherwise you can pay on the day.

Charity Support this term

Next half term half term we will be supporting Cancer research with all children taking part in Race for Life when all children will receive a medal for taking part.

Future Fundraising

The following has been planned already and we will update you with any more that are planned. It is great to see parents and children involved and we will continue to introduce ideas shared by parents.

Saturday 8th June 11-2pm Summer Fair- if you are able to help please let the office know.

Parking

Please remember to park safely and drive slowly on both Oxhey Drive and Northwick Road. Unfortunately, a few cars are still parking on the pavements making it dangerous for parents and children on their way to and from school. There will be an increase in police and traffic wardens on both roads so please park carefully for the safety of our children and to avoid a parking ticket.

Please do not block residents drives when your drop or pick up your children.

Please do not park opposite the school gates as our Lollipop Lady cannot see all oncoming traffic, which puts our children's safety at risk. The local police have said they will try as often as possible to spend time outside school to encourage parents to park safely. If you park too near the junction with Gosforth Lane this could lead to a parking ticket.

Water Bottles

Please remember that children should only have water in their bottles they drink from in class; this is not a school rule but follows the nutrition expectations by the Department for Education with the aim of preventing tooth decay. Please make sure your child has a water bottle in school. Thank you for your support with this.

Communication

Please remember if you have a question or concern please come in and ask your child's teacher or one of the leadership team. I would much rather you ask a small question or concern so that it can be answered or dealt with sooner rather than you worrying about something. If you can't come into school, please telephone or email the school office or your child's teacher. A member of Senior Leadership Team will be outside in the morning if you need to speak to someone. If your email is for me I respond normally the same day that it has been passed to me. If ever you email in, get no response please come and ask as it maybe your email has gone into our junk mail.

We have had some concerns raised by parents where another parent has told them something has happened. Please do come in and ask as we can then investigate this for you. Please do not approach other parents as this can cause upset and distress to parents and children.

I am always grateful to receive feedback from parents as we can't share reasons or think about further improvements without this. It maybe that at times a parent may disagree with an aspect of school or how school has dealt with something; any decision we make is always to support the children and I am always happy to share the reasons with parents.

If you do need to talk to your child's class teacher or any adult in school please can I remind all parents that shouting or rudeness will not be tolerated.

We are very lucky to have a great staff team who are committed to supporting your child's learning and emotional development. I want the best for every child in school and this includes good attendance. Thank you for your ongoing support for the staff team and your child's good attendance in school.

Safeguarding and health and safety including online safety

We have some children in school with severe allergies. Please do not bring dogs onto school grounds.

We take safeguarding very seriously in school as we want every child to feel safe in school. If you need to come into school for any reason please come in via the school office so that you have signed in. We have updated our child protection policy and new safeguarding guidelines expect schools to have at least 2 contact numbers for every child in school. Please can you make sure you have given 2 phone numbers to the school and update these if you change your number.

If you are concerned about the safety of any children we have 4 designated safeguarding leads in school: Jules Riding, Mrs Morley, Mrs Caplan and Miss Douglas-Law-please share any concerns with them or please ring 0300 1234043

After School and Breakfast Club

To ensure our financial system aligns with all other MAT schools all sessions for breakfast and after school club must be made in advance before a child can attend. Please ask at the school office for information. We currently use parent mail for payments as this offered best value for money. Please so let me know if you have any problems with using this and I will look into it.

Smoking

Can parents please refrain from smoking around the school gates and be mindful where they dispose their cigarettes.

Attendance- OVER 95%!!!

Thank you to the majority of parents who have supported their children in coming to school regularly. Attendance letters have been sent out this week to let you know your child's attendance if it is 93% and below so that if needed we can meet to see how we can work together to improve your child's attendance.

If, despite informing you of low attendance and offering support your child's attendance continues to be of concern you will receive a letter to each parent stating that you are at risk of a penalty notice being applied. Unfortunately for some children attendance is still causing concern and is impacting on their learning which has led to more penalty notices being issued by County.

Please support your child by ensuring your child comes to school every day not just for their learning but also for their social development. If there is any support you need or would like to discuss how to improve your child's attendance please don't hesitate to contact me.

Open Door Policy

Please remember we have an open door policy; teachers are happy to meet with parents before and after school, please email the teacher or ask them at the end of the day. I am always happy to meet with parents or talk on the phone as it is important that you feel listened to and sometimes events shared are slightly different to what has happened in school. We do have some parents that work in school but please avoid putting them in a difficult position by asking them about information within school. It is important that staff and parents trust each other and I take confidentiality very seriously. If you have a concern please speak to your child's class teacher or a member of leadership team; Mrs Caplan, Miss Jennings, Mrs Kent, Miss Douglas-Law or myself.

Break time Snacks

We endeavour to promote healthy eating at break times, we have noticed that some children are bringing in packets of crisps and chocolate bars. We ask that you do not send your child into school with unhealthy snacks and swap them for fruit, raisins, rice cakes, fruit bars.

School Uniform and Ordering

We are now set up online for school uniform ordering. There is a link on the school uniform page on the school website that takes you to the site, we also sent instructions out to you on an email. If you would like a hard copy please contact the school office. We do still have some stock in school but have limited sizes.

Please make sure your child wears the correct school uniform to school including black shoes not trainers and school blue or plain black hair bows. This helps children have a sense of belonging in school.

School uniform is trousers, shorts, skirts, pinafores, please do not send your child to school wearing leggings.

School Lunches- school meals will reduce to £2.40 after half term as we have new caterers

First week back is week 1. If your child brings in a packed lunch please make sure they do not bring in peanut butter sandwiches or Nutella as we have children with severe allergies. Children in Years Reception to Year 2 are entitled to Universal Free School Meals and can have a free school lunch every day.

Punctuality

Please could you support your child by making sure they arrive on time. It is unsettling for them if they arrive after the lesson has started. This will also be monitored by the Local Authority Attendance Officer.

Stay and Learn and Reading Breakfasts

Over the school year classes in Years 1-6 will be holding stay and learn and reading breakfasts where you are invited to join in practical activities for stay and learn and for reading breakfasts to enjoy a book with your child over a light breakfast.
