

OXHEY WOOD PE VISION STATEMENT

At Oxhey Wood we aim to promote enjoyment and excellence in PE through promoting healthy, active lifestyles, teamwork, participating in competitive activities and allowing children to access a broad range of physical education and activities. With this directed through high quality teaching, children of all abilities progress and achieve.

What our children say about PE:

'I enjoy PE in school because I learn new games'.

'I get to try different sports'.

'We played against other schools in the South Oxhey Games'.

SPORTS PREMIUM FUNDING

The vision of funding from sports premium is to ensure:

Engagement of all pupils in regular physical activity, kick starting healthy, active lifestyles. Profile of PE and sport being raised across the school as a tool for whole school improvement. Increased confidence, knowledge and skills of all staff in teaching PE and sport. A broader experience of a range of sports and activities offered to all pupils. Increased participating in competitive sport.

	Total Spend	£19094

IMPACT

The school will assess the impact of the Sports Premium for 2018-19 by:

Data will be analysed in July 2019

Sporting successes of pupils

The number and variety of sports clubs on offer with increased attendance

Increase in outstanding teaching of PE with all staff confident in teaching all aspects of the curriculum

Well-being status from 2018-19

YST quality mark achieved at least at Bronze level by July 2019.

Feedback from pupils through pupil voice.

Audit for the sport position at Oxhey Wood to be regularly monitored and updated.

Regular scrutiny of planning and observation of lessons is undertaken throughout the year.

Sustainability will be assessed by the PE subject leader, ensuring that improvements in the teaching of PE, increases in attendance at sporting activities and attainment is maintained.

EXPENDITURE OF FUNDING FOR 2017-2018

Total amount of Sports Premium received 2017-2018 £18,000

School Sports Partnership membership (including staff training and membership of competition leagues).

Provision of swimming lessons across KS2.

Release time for staff development and the introduction of additional staff at break and lunch.

Introduction of balanceability in Early Years

Specialist coaches to help with provision of more sports clubs and to enrich the children's experience of sporting activities.

Membership to YST to further develop Continuing Professional Development of staff and collaboration including inter and intra competitions.

New equipment to support effective teaching, playtimes and extra-curricular clubs.

IMPACT FROM 2017-18

Data from our Early Years in 2017-2018 shows that 66% of children reached at least age related in Physical Development. With 10% exceeding (0% in 2016-17).

Achievement in sports competitions has improved; Year 4 won a golf tournament. Our netball team took part in competitive games last year. Children were chosen to run for the county after the local schools cross country competition. Our football team continues to improve and won some of their matches last year.

More children are participating in extra-curricular physical clubs. 61% of children in Key Stages 1 and 2 attended a physical club during this year compared to 58% in 2016-17. This includes a gymnastics club, football, dodgeball, tennis and archery.

100% of the teaching of PE was deemed good or outstanding.

School was awarded healthy school status.

Feedback from our children was more positive with 90% of children saying they enjoyed PE.

New outdoor gym equipment was purchased which has supported a more active break time for some children

An increased number of MSA's and staff on duty at break and lunch time enabling children to learn a range of games.

During healthy school week children were able to participate in a range of different sports and all took part in healthier food awareness and cooking.

Play leader training and singing playground training to further develop engagement at break and lunchtimes.

Pupils have become more active in their playtimes. This is continually being developed by the training of play leaders who are supporting the use of games that keep children active.

Teachers identified the need for new equipment which was purchased to further support effective teaching

ACCOUNTABILITY

Ofsted may carry out a survey on the expenditure of additional funding and its impact. This may take the form of a subject specific inspection at Oxhey Wood.

We are required to include details of the provision of PE and sport on our website, so that parents can compare sports provision between school, both within and beyond the school day.

Senior leaders in school observe lessons and monitor planning to ensure there are high expectations so that all children make at least good progress.

The PE subject leader has an action plan with targets to further improve PE across school and reviews the impact every term.
