Have a lovely half term break!

Parents Evening

Thank you if you attended parents evening. I hope you found the meetings useful.

Once I have collated all of your views you kindly took the time to write on a post-it, I will share them with you.

Harvest Celebration

I hope you enjoyed our harvest celebration today; thank you for the donations of food.

Children In Need

After half term the office will be selling wristbands £1, ears £2.50 and teddy bear key rings £3 to support Children in Need.

Playground supervision before and after school

Please could I remind you that you must supervise your children before and after school. There have been some incidents where children have been unkind to others, it is important that you keep your children with you.

Late Arrival to school

If for any reason you are late and the classroom doors are shut please bring your child to the office to sign in. It disturbs the learning of others if you bang on the door or windows for your child to be let in.

Safeguarding-computer games

Staff have noticed several children playing games that they have watched on games such as Halo and Grand Theft Auto. Please support your child by ensuring they do not play these games as they not only affect their behaviour in the playground but it can affect their learning in class.

Please also regularly check your child's use of the internet. If you would like any help putting parental controls on IPAD's or other devises please ask at the office.

Attendance and Punctuality

It is really important that all children come to school every day and on time. At the end of each half term certificates will be awarded to all children with attendance and punctuality of 95% and above, with a treat at the end of each term for all children with 100% attendance and punctuality. If you would like support to ensure your child attends school every day please phone or make an appointment to see me. It has been great to see the improvement in children arriving on time; thank you for your support.
