

Half Term Curriculum Overview

Year 1 Spring 2 2020

English

These will be our topics we will be focusing on in English this half term:

We will be learning about dinosaurs and creating an information page on it. Also will be reading the story Harry and the bucketful of dinosaurs. Finally we will be looking at poetry and finding and creating rhymes.

Physical Education

We will be looking at Basketball in our outdoor PE lessons and dance in our indoor PE lessons.

Science, Topic and Computing

In science we will be exploring materials. We will be -

- naming materials
- exploring properties of materials
- completing experiments using materials

In topic we will be looking at Dinosaurs.

We will be -

- exploring what dinosaurs looked like
- How the dinosaur is different to ours.
- How they became extinct

In Computing we will be - discovering programming and how to programme we use many programmable and automated devices at school, home and in the wider world.

Mathematics

In Maths we will be looking at -

- Measurement - Length, height, mass and
- Working to 20. We will be adding, subtracting to 20.
- Counting in 2s, 5s and 10s.

PSHE and RE

In PSHE we will be looking at the topic 'Healthy Me'. Children will be learning about staying healthy and keeping safe. In RE we will be looking time in Jesus life before Easter.
