Monday  
Times tables  
Friday

## Science

Working scientifically  
Investigating forces

## Homework

Homework tasks will be given out at the start of each half term. Spellings given weekly and reading daily.

**My museum project** to be completed and brought into school by the Easter holidays. This can be about anything that you find interesting that you think others would like to see in a museum- please ask if you need help. You can present this as a poem, a power point, a shoebox with labelled objects, a booklet,- any way you like!
