

Monday 23rd March 2020,

Good Morning Year 1 parents and children,

It's the start of a new week. Many of us are at home at the moment and our learning will be a little different for a while.

We will email you every day between 9-10am with daily challenges and will respond to any emails between 8am and 4pm.

We will endeavour to respond as promptly as possible please be patient as many are working at school. At school on Friday we came up with some top tips to help you learn at home:

1. Work little and often - work hard for 15-20 minutes and then give yourself a little break, whatever works for you!
2. Be kind and patient - everyone in your house is trying to work too!
3. Ask for help - speak to your siblings, parents/carers and YOUR TEACHER - we are still here for you!
4. Be ready, respectful and safe!

There are many activities in your child's home learning packs so you can choose any of those activities to complete.

You could choose any of them to do today or why not try our daily challenge. You can also continue to do your times tables for 5-10 minutes each day. If anyone needs help with any activities or needs their username or password please email us.

Today's challenge is:

- Choose a reading book from home and find five tricky words and write them down.

- A Joe Wicks kids workout video. These are short free child friendly workout videos.
- Which activity will you choose today from your child's home learning packs?

Please send us an email telling us how the daily challenge went or if you like to share any learning that your child has completed. You can send us pictures, videos or messages.

Thank you for your support in this unprecedented time.
Have a great safe day and we would love to hear about the amazing things you are doing at home!

Miss Divecha
