

Good morning Year 6,

We hope you have managed to have a restful weekend and you are ready for the week ahead. Each morning you will get an email from me and Miss Hewitt (between 9am and 10am) explaining what we would like you to do for the day. We will be available to respond to emails between 8am and 4pm should you need any further support. Please take into consideration that some weeks we will be working in school and so on these weeks it may take a little longer to respond.

Here is what we would like you to complete today:

- **Arithmetic Test 1 (TESTBASE)** – complete on the sheet and mark using the answers when you have finished. The test should take you around 30 minutes to complete
- **Reading comprehension 'Lambton Road'**. Complete both sets of questions in one of your exercise books. Please write the date and the title at the top of the page.
- **Writing Task** – Complete the first task in your writing pack (To write a story about the girl in the jar) This might take you a couple of days. Think about the different stages of a story: introduction, build-up, climax, resolution and ending. Remember to purple pen (up-level) your writing.
- **Online programmes** – Remember you have access to Spag.com, TT Rockstars and Spelling Shed, log on and use them daily.

Remember to take breaks and if possible be active; go for a walk or complete a Joe Wicks workout.

I hope this all makes sense but please do not hesitate to contact us should you need any help or clarification.

Kind Regards

Miss Jennings and Miss Hewitt
