

Day 6 Monday 30th March 2020

Hello year 5, we hope you've had a good weekend and you're ready for another week of home learning! As it is the start of the week we thought we would start with a little reminder of last week's tips:

1. Work little and often - work hard for 1/2 hour and then give yourself a little break, whatever works for you!
2. Be kind and patient - everyone in your house is trying to work too!
3. Ask for help - speak to your siblings, parents/carers and YOUR TEACHER - we are still here for you!
4. Be ready, respectful and safe!

Remember you can email telling us how the daily challenges went. You can send us pictures, videos, messages of what you have been up to- we have really enjoyed hearing from you all!

Today's suggestions

- Logon to spag.com, spelling shed and TT-rockstars- a few of you haven't logged on yet please let us know if you don't have your password. On Spag.com you can complete **Grammar Year 5(A)** and any of the others not yet attempted.
- Complete 20 minutes of maths questions from your pack or you could try some maths learning

Today's challenge- View from my window: we all have different views of the world, what does your view look like? Especially now when we can't go out, look really carefully at what you can see from any window in your house. Draw a picture of what you can see.
