

Good morning Year 6,

We hope you had a lovely weekend, enjoyed a nice break from completing school work and spent some quality time with your family. This week will run just like last week – you will receive daily emails with a list of recommended activities for you to complete. Please feel free to complete as much of this as you and your family feel is suitable to you – we know this can be a difficult time for everyone.

Here is what we would like you to complete today:

- **Maths** – Complete pages 4 and 5 of your classroom secrets learning pack “Fractions to Decimals”
- **Reading comprehension** – Complete set A test 3 from your CGP reading comprehension book.
- **Writing Task** – Finish task 3 in the writing pack. Write a story about the picture and give it a name. You will have started this on Friday so please complete and edit to up level your writing.
- **Online programmes** – You have access to Spag.com, TT Rockstars and Spelling Shed, log on and use them daily. You were given all your log in details in the packs sent home but if you have any issues with log in details or passwords please contact us and we will try our best to resolve it for you.
- **Science** – Complete pages 4 and 5 of your Science CGP book “Plants and Plant Growth”

Remember to take breaks and if possible be active; go for a walk or complete a Joe Wicks workout. There are also mindfulness colouring sheets in your packs that you can complete throughout the week if you need a break!

Take care

Miss Jennings and Miss Hewitt
