

Day 4 Thursday 26th March 2020

Good morning ! Well done if you have just completed day 4 of Joe Wicks P.E lessons- very impressive (my legs are beginning to ache!)

I just wanted to reassure you that the ideas I send everyday are suggestions to do as much or as little as you want or can that day. These are just ideas and it is of course fine for the children to have a day/morning off from work without feeling guilty about it because ensuring that the children feel happy and safe is the most important thing at the moment. Remember you can always go back to previous suggestions .
