

Thursday 26th March 2020

Good Morning Year 1 parents and children,

It is wonderful to see all that you have been up to in the last few days from Joe Wick's morning workouts, learning about dinosaurs to finding out about plants and lots more!

Today's challenge is:

- Are you a Lego or building fan? Label and write about what you have built. Take or draw photos to create an online or hand drawn scrap book. Does a story take place in your creations?
- Play dice games such as snakes and ladders. There is a maths one in your homework packs or any of your own.
- Which activity will you choose today from your child's home learning packs?

Thank you for your support and positivity in this unprecedented time.

Have a great safe day and we would love to hear about the amazing things you are doing at home!

Miss Divecha
