

Good morning Year 6,

I hope you all had a productive day yesterday but also made time for some fun activities and family time. Please remember that you can email us between 8am and 4pm should you have any questions or need any clarification.

Here is what we would like you to complete today:

- **Maths** – Complete Set A: Test 1 from your CPG SATs Buster book. Then mark your work and see how you got on.
- **Reading comprehension** ‘Poor Ginger’ - Complete all questions in one of your exercise books. Please write the date and the title at the top of the page.
- **Writing Task** – Complete the story writing task set yesterday. If you did manage to complete it then please pick a paragraph to up-level. Could you improve your punctuation, vocabulary and openers? Did you include any dialogue to move the story on?
- **Science** – Linking to our current science topic ‘Electricity’ please complete pages 48 and 49 in your Key Stage 2 Science Question Book. The answers are in the middle of your book so you can mark it once completed
- **Online programmes** – You have access to Spag.com, TT Rockstars and Spelling Shed, log on and use them daily. You were given all your log in details in the packs sent home but if you have any issues with log in details or passwords please contact us and we will try our best to resolve it for you.

Remember to take breaks and if possible be active; go for a walk or complete a Joe Wicks workout. This is a strange time for all of us and the last thing we want is for you to worry or become stressed about the work you are being set. Try your best and if you reach your limit for the day and haven't completed all the tasks listed that is ok. 😊

Take care

Miss Jennings and Miss Hewitt
