

Hello Nursery,
How are you? Here are your challenges for today.

Maths Challenge:

Find these number cards from your pack: 3, 4, 6, 8, 10.

Can you find 3 pens?

Can you find 4 shoes?

Can you find 6 spoons?

Can you find 8 toys?

Can you find 10 socks?

Choose some other numbers. What things can you find to match to them?

Literacy Challenge:

Have a go at writing your name.

You can write it however you like –maybe you would like to use a pencil or maybe you would like to use your finger in some flour or ketchup!

Physical Development Challenge:

Ask a grown up to help you create an indoor obstacle course. You will need to create obstacles to go under, over and around. You could use chairs, tables, blankets and anything else you can think of. Make up some rules for your obstacle course –what kind of movements do you have to use? Do you have to walk, run, crawl, slither, hop, jump? Now ask someone to time you completing your obstacle course. How quickly can you do it?

I would love to see some of your obstacle courses, please send me some photos or videos if you can!

Have fun,
Miss Aust and the Nursery Team
