

Good morning Year 3&4,
I hope you had a productive and enjoyable day yesterday.

Your daily challenge today:

- Create a journal about your experience during this strange time. Once a week, we will ask you to record your day, how you and your family are feeling about what it is like to be a child during this period of self isolation. You can do this by drawing, writing, making a video, taking pictures. It is up to you. Can you include interviews with your family about how they are feeling, what you have been up to, has anyone experienced anything like this before? When this is over, it can be stored in a safe place to be shared in the future. You are part of history!
- A random act of kindness. Can you help an adult, a sibling? Help to tidy away, make a meal. We want to hear how you have been spreading kindness.

Enjoy your day. Please remember that daily challenges are something you can choose to do, It doesn't need to be done today, you may wish to complete it tomorrow, whenever you feel ready. Please feel free to contact your teachers if you have any questions or would like some advice. Thank you for all your support and stay safe
Miss May
