

Day 3 Wednesday 25th March 2020

Good morning! Was the P.E work out a little easier today? I think I might be getting slightly fitter! Yesterday there were almost 1 million viewers- let's help by all joining in on week days at **9.00am**.

Straight after Joe Wicks at **9.30am tune in to radioblogging.net** for a fun interactive radio show. It is a blog with a live radio show with interactive educational activities where children from all over the world can post their responses to the activities on the show. I listened yesterday and it was really fun and interesting!

At 11am you could join the art lesson at <https://planbee.us10.list-manage.com/track/click?u=2389e23fa3ce24dcb0399585e&id=88aa0076e5&e=15ddaf9a1c> take a picture and send us your drawing!

Other tasks

- Watch newsround- write or draw a picture in your journal to show what you have been doing/feeling so far
- **Times tables:** Play TT rockstars for 15 minutes.
- **Maths:** Spend 20-30 minutes doing the next set of Maths questions from your pack **or** if you want something different try watching <http://www.iseemaths.com/home-lessons/> You can try which ever one you like
- **Grammar:** Logon to spag.com and complete year 5 terminology if you have completed relative clauses and expanded noun phrases
- **Reading:** read the next part of your book (e.g a chapter) How has the author kept you interested? Make a list of new vocabulary you could use in your own writing. Design a new front cover for the book- don't forget the blurb.
- **English:** Choose one of the tasks to complete from the English sheet
- **Spelling:** Look at the year 5/6 spelling words- choose 5 words to learn (practice them in bubble writing or in a sentence)
- **French-** What are the differences between schools in the UK and France? Watch <https://www.bbc.co.uk/bitesize/clips/zcdg9j6>

Today's Challenge: Design and create your own board game. Be inventive – you could recycle an old cereal box for your game board. You could base it on snakes and ladders, monopoly or any other game you like. What will the pictures or questions be about? Theme it! The Tudors & King Henry VIII, Maths questions (like the mathspoly game we played at school last week) or another topic you are interested in like space.

To relax you could listen to a different David Walliams story free every day
