

Good morning Year 6,

It's Wednesday and you are now half way through the school week. I hope you are all doing well and getting used to your new routines.

Here is what we would like you to complete today:

- **Maths** – Complete the first two pages of your 'Classroom Secrets Home Learning Packs'. The questions are all about rounding numbers. Complete these questions in your exercise book. Write the date and Rounding Numbers at the top of the page. You can mark your work using the answer booklet once finished.
- **Reading comprehension** 'Robert the Bruce' – Complete both sets of questions in your exercise books. Please write the date and the title at the top of the page.
- **Writing Task** – Complete the second task: *If you could have any fictional character as your best friend, who would you choose and why? What would you do together?* Think about the characters we have come across in our class novels or your favourite book.
- **Online programmes** – You have access to Spag.com, TT Rockstars and Spelling Shed, log on and use them daily. You were given all your log in details in the packs sent home but if you have any issues with log in details or passwords please contact us and we will try our best to resolve it for you.
- **Random act of kindness** – Make a conscious effort to complete a random act of kindness whilst at home. Maybe you could help the adults at home with something like cooking or chores, pay someone a compliment, help younger siblings with their work or anything else you can think of. Feel free to email us and let us know what you managed to do.

Remember to take breaks and if possible be active; go for a walk or complete a Joe Wicks workout. You also have your mindfulness colouring sheets in your packs if you need some time out.

We hope you all have a good day.

Take care

Miss Jennings and Miss Hewitt
