

## Oxhey Wood Weekly Newsletter

### Friday 25<sup>th</sup> September

It has been great to see how calm and purposeful every class has been across school with children completing some fantastic work. Even though some children have been quite tired towards the end of the week, they have persevered which is brilliant to see!

Children and adults are catching colds and flu at this time of year. I would like to thank you for being supportive in booking a COVID test if your child has a temperature or one of the other possible symptoms. This is a precaution and I'm sure you will agree it is better and safer to ask parents and staff to do this.

Teachers will provide learning if your child has to self-isolate at home while you wait for test results.

If you are concerned about anything or need any support please speak to myself, Mrs Caplan or Jules.

**Please remember to drop your child at their class door between 8.40-9am, from next week this includes Nursey and Reception and pick up between 3-3.20pm unless they are at breakfast or after school club.**

#### **Coronavirus**

As you will know there continues to be an increase in cases and the government will be limiting social contact outside of school and work. If we all follow the guidelines, we will help reduce further spreading of the virus. There are many stories on social media that are causing more worry for many of us. Please do ask me if you are worried about a story you have read, as I am sure I will be able to reassure you.

If you or your child has at least one of these symptom: temperature over 37.8, new dry, persistent cough, loss of taste or smell please book a test and everyone in your household must stay at home until you get the results. If your child has symptoms but you can't book a test they need to stay at home and self-isolate for 10 days.

#### **Department for Education Coronavirus helpline**

Staff, parents and young people can contact the helpline as follows:

Phone: 0800 046 8687

Email: [DfE.coronavirushelpline@education.gov.uk](mailto:DfE.coronavirushelpline@education.gov.uk)

Opening hours: 8am to 6pm (Monday to Friday)

#### **Safeguarding and Health and Safety**

If you are concerned about the safety of any children, we have four designated safeguarding leads in school: Jules Riding, Mrs Morley, Mrs Caplan and Miss Douglas-Law - please share any concerns with them or please ring 0300 123 4043. Jules is also our Senior Family Support worker; please ring or email her if you need any support.

### **Free school meals**

If you think your child may be eligible for free school meals, please speak to the school office who will be able to help you.

### **Fundraising**

Although we may not be able to hold some of our fundraising events as we would normally, we are already thinking of ways the children can enjoy the run up to Christmas.

We want to raise money for an adventure trail outside and a summerhouse for outside.

We will be holding a raffle for the end of term in December. If you work for a company or know a company that, may be able to donate a prize, please let the office or myself know.

### **Lunches**

Next week is week 2 on the lunch menu. School lunches are £2.40 a day. Children in Reception, Year 1 and Year 2 are all entitled to free lunches. If your child is in Years 3,4,5 or 6 they may be entitled to free school meals if you are receiving certain benefits. Please ask at the office if you are not sure. We have a number of children in school with allergies- if your child has a packed lunch please do not send them in with chocolate spread sandwiches.

### **Homework**

We know that for many children they will be more tired after such a long break from school. It would be great if children can read regularly at home, go on to TT Rockstars and learn spellings. Other homework will be optional for this term. Teachers will send it home in case your child may want to complete any of the activities.

For now, we will not be sending reading records home and are currently exploring ways for you to let us know how well your child read. Books will be changed once a week in line with our risk assessment.

### **This week**

### **Nursery**

This week our Nursery children have enjoyed exploring indoors and outdoors developing their fine and gross motor skills.

### **Reception**

This week the children started their phonics sessions learning the sounds-S,A,T,P. In maths they were exploring all about the number 1.

### **Year 1**

This week year 1, have been looking at toys from the past. They also carried out investigations to find out what materials float and sink.

## **Year 2**

This week the children read The Frog and the Stranger. They started their new topic Street Detectives thinking about our local area.

## **Years 3 and 4**

Year 3 / 4, have read the Paper Bag Princess. They have begun researching life in Ancient Greece and looked at artefacts.

## **Year 5**

This week in year 5 they children have read Wolves in the Wall and created freeze frames to predict how they think the story will end.

## **Year 6**

This week Year 6 have been painting hearts in watercolours as part of their science topic.
