

Dear Year 3 and 4, Parents and Carers,

YIPPEE!! It is Friday and the sun is shining again! We hope you all have had a good week!
Today is the final day for your 'walk to the moon' videos to be sent to Mrs Caplan. Miss May has been working super hard on making the video with all of your messages, raps and songs - today is also the last day for these so Miss May can work on making it next week.

Daily challenges:

1. Watch Newsround or speak to others about the news. Be your own news reporter and create your own news broadcast! You can film it, write it down or create a radio broadcast.
2. Enjoy the sunshine! Go for a walk, build a den, play in the paddling pool, spend time with the family!

We hope you have a lovely day. Remember to email us - we love hearing from you all!

Kind regards,
Mrs Kent, Miss May and Mrs Keddy
