

Friday 3rd April 2020

Good Morning Year 1 parents and children,
Happy Friday. Today would have been the last day of the Spring term and we would be getting ready for the Easter break. I have included some challenges today or you could try over the holidays - these are optional and there if you want them. Mrs Caplan will also email you with some optional ideas you could try over the holidays.

These are some challenges you can complete over Easter –

- Choose 5 tricky words and write them out 5 times different colours.

Come, Come, Come, Come, Come.

- A comic kids yoga or medication video. These are short yoga, mindfulness and relaxation video for children. Interactive adventures which build strength, balance and confidence.

- A random act of kindness. Can you help an adult, a sibling? Help to tidy away, make a meal. We want to hear how you have been spreading kindness.
- Continue to play TT Rockstars and learn your 2s, 5s and 10 times tables. Some of you have still not logged on yet.
- <https://www.topmarks.co.uk> or <https://www.ictgames.com/> has some great maths and phonics games.
- Design a packaging for a new Easter egg.
- Follow a recipe to create a delicious Easter treat. Write about what you did in your exercise book.
- Design an Easter basket that can carry Easter eggs

- Plan an Easter egg hunt that others can try. Can you set up some clues and hide them in safe places around your garden?
- Design an Easter card to send to a friend.

As it is the Easter Holidays, we won't be emailing everyday with work suggestions as this is your chance to have a rest. You will begin receiving daily emails with tasks to complete again on 20th April

Enjoy your holidays! Have a great safe day!

Miss Divechaa
