

Good morning Year 3 & 4,

Well done to everyone who took part in the TT Rockstars tournament. The results have been amazing! Drum roll...

Year 3 scored 13,839

Year 4 scored 18,624.

Congratulations to the champions Year 4.

A special shout out the MVP's:

Year 3: Jheel, Nirdosh and Claudia.

Year 4: Zac, Yazmin and Chay.

Your daily challenge today:

- Learn to say hello in three new languages. Create a poster to show what you have learnt.
- Invent your own robot. What will it be use for? What special features does it have? Draw a picture of your new robot. For a challenge, write a description of your robot pretending you are trying to sell it to someone.

Today, would have been the last day of school before we broke up for the Easter holidays. So for the next to week, you can have a rest and a break. If you would like to continue working through your homework packs, that is also fine.

I have some fun Easter projects that you may want to take part in if you wish. These are optional and if you do want to partake, little bits can be completed daily. The choice is up to you.

1. Time capsule project
2. My museum project
3. Edible rainbow creation

More information about each project can be found in the attachment with this email.

During the Easter holidays, teachers won't be sending a daily email. These will resume after the holidays. We will try our best to respond if you have important queries but some teachers will be in school so please bear with us.

Enjoy your break!
