

Good morning Year 6,

It's Friday! Well done for all of your hard work this week. The next two weeks are your Easter break therefore you will not receive a daily email regarding challenges for each day. Later on today you will receive information about a whole school Easter project. If you wish to continue working we would recommend that you have a go at these challenges, rather than complete any of the tasks in your home learning packs as these will be set to be completed after the Easter break. You will begin receiving daily emails with tasks to complete again on 20th April.

Here is what we would like you to complete today:

- **Maths** – pages 5 and 6 from your classroom secrets booklet "Four Quadrants"
- **Reading comprehension** – Complete set A test 4 in your CGP reading book
- **Writing Task** – Finish writing the ending to your story (Fifth Task) that you began writing yesterday, then edit to up level your work. Can you use more precise vocabulary? Have you used a range of sentence openers?
- **Online programmes** – You have access to Spag.com, TT Rockstars and Spelling Shed, log on and use them daily. You were given all your log in details in the packs sent home but if you have any issues with log in details or passwords please contact us and we will try our best to resolve it for you.
- **Science** – Complete page 7 and 8 of your Science CGP book 'Flowers and Seeds'

Remember to take breaks and if possible be active; go for a walk or complete a Joe Wicks workout. You also have your mindfulness colouring sheets in your packs if you need some time out.

We hope you all have a good day and enjoy your Easter break!

Take care

Miss Jennings and Miss Hewitt
