

Monday 20th

April Summer term Day 1

Good morning, welcome back to our learning from afar! I hope you enjoyed the Easter holidays - it has been great seeing what some of you have been up to and I hope to hear more when I speak to you this week. On the home learning week 1 attachment are tasks for this week. For the English tasks you will need to use the attached writing document and for the maths you will need to login to mymaths (individual logins will be sent to you). The BBC have launched some new interactive lessons which I have included as suggestions this week for you to try if you can. We will be posting out some more learning packs to you which you can use if you don't have internet access.

Today's challenge : design a poster with 10 things you would take to a desert island- can you justify each choice?

Hopefully I will get to chat to you all today or tomorrow.

Have a great day!

Week 1 Home learning sheet is attached

Remember you can also practice times tables at TT rockstars, spag and spelling at spag.com and spelling shed, read for 20 minutes, exercise with Joe Wicks at 9.00am,
