

Dear everyone,

We hope you all have had a lovely Easter holidays and enjoyed the break as much as you could - at least the sun has been shining. Back to school today, not the idea the teachers had in mind but at least we are all keeping safe!

The homework packs were delivered a few weeks ago and these packs begin today as well as the daily challenges.

BBC Bitesize have released a series of online lessons for each year group and were released today if you wish to give these a try.

Your teachers will be phoning you this week to see how you are all, catching up and having a general chat. We will be phoning from unknown numbers. If you miss the call, do not worry we will phone back the next day.

Your daily challenge today:

1. Record a message and send it to your teachers. A little message asking people to stay safe, explaining a new skill you have learnt during this time at home, a tip to say how you have kept busy at home - anything you wish. The teachers are then going to put them all together to create a film to show the rest of OW!
2. Read and film a bedtime story for the facebook group. Mrs Caplan posts a video every day at 6pm. The teachers have all read a story or two - now it is your turn :) (If you do not want to film that is absolutely fine - read a story to your family, pets, or cuddly toys)
3. Play the remainder game. <https://www.youtube.com/watch?v=w2qN1tF8IyI> This is the link from Herts for Learning who support all schools in Hertfordshire. They will be uploading videos each day with a series of different games you can play at home!
4. Finally, make a thankful jar of all the things you are thankful for. This will help our mental health and keep us positive.

Remember you do not have to do all these things but it would be great if you could do some!  
Look out for your phone call - they will be starting today!!!!

If you need any help, please do not hesitate to email your teachers!

Kind regards,

Mrs Kent, Miss May and Mrs Keddy!
