

Monday 27th April 2020,

Good Morning Year 1 parents and children,

Welcome back to week 2 of summer term 1. Hope you are all keeping safe and well.

Homework packs were sent out last week along with a book- if you haven't received a copy please let us know and we will correct this for you.

Last week, you all made a great start on MyMaths, all the teachers were really impressed with your work with everyone who has logged on. Well done to you all! Let's keep up the fantastic work this week! If you have had any difficulties logging in, please let us know and we can help.

*Today's challenge is:*

- Today is Tell a Story Day. Why not Read One of Your Favourite Books in a New Way
- ★ Read one of your favourite books out loud while holding your nose
- ★ All of your characters will have a funny sound when you do this
- ★ Try reading an entire book like this to a family member and not laugh
- ★ Then do this in reverse, have a family member read a book to you holding their nose and try not to laugh
- Create Your Very Own Flag
- ★ Everyone deserves to fly their own flag - why don't you create and fly a full size flag that tells the world about you
- ★ Think about symbols you could add to your flag that represent you
- ★ Use art materials to add symbols and colours to your flag

Remember these daily challenges are just ideas to support you, you do not have to do them, if you do please let us know how the challenges went. Email, send us pictures, videos, messages and/or post on our Facebook page.

Have a great safe day!

Miss Divecha
