

Good morning Year 3 & 4,

It's the start of a new week and I hope you've all enjoyed your weekend! Thank you all for your Walk to the Moon videos and also the greetings and tips videos I have received. I will be putting them together and hopefully have the final video ready for you all this week. Mrs Caplan is working on the Walk to the Moon video!

Homework packs were sent out last week along with a book- if you haven't received a copy please let us know and we will correct this for you.

Last week, you all made a great start on MyMaths, all the teachers were really impressed with your scores and perseverance shown to complete the task each day. Well done to you all! Let's keep up the fantastic work this week! If you have had any difficulties logging in, please let us know and we can help.

Daily challenges:

1. To play TT Rockstars- tomorrow I will set up a tournament again. Year 3 vs Year 4. It will start from tomorrow 9am- Thursday 6pm. With the winners being announced on Friday. There will be a special mention for the MVP's of each year group. Let's get practising today- who will be the champions this time?
2. You should have all received a book last week- where is the most interesting place you could read it? Upside down on your bed? In your garden? In a den? The more interesting the better! We would love to see pictures!

If you would like further challenges, here are links to a few websites with games to play.

<https://www.youtube.com/channel/UCsMwexWt3xUZYI0Gjj6jggQ> - Videos with instructions for different maths games we often play in school. Risky is one of my favourites!

<https://www.barefootcomputing.org/homelearning> -online computing games that link with our ICT lessons in school

<https://litfilmfest.com/home-learning/> - a range of different writing challenges for home.

If you would like anymore information, help or ideas just let us know and we will gladly help. Stay safe and enjoy your day!

Miss May, Mrs Kent and Mrs Keddy
