

Good morning Year 6,

I hope you all had a lovely weekend and managed to enjoy the beautiful sunshine! I'm not sure we are going to be so lucky this week with the weather. Last week I made phone calls home to speak to all the children in my class and see how you are all getting on (these calls were not to check up on the work completed). It was lovely to hear your voices and to hear about all the things you have all been up to in order to keep busy. Miss Hewitt will be making her calls to 6 Glennie this week so if you see the school calling it is likely to be her.

Here is what we would like you to complete today:

- **Maths** – Please

complete Set A: Arithmetic Test in your CPG book. There are only 8 questions in this test and so it shouldn't take you very long at all.

You should all have your My Maths login in details (they were delivered with the most recent home learning packs). We would like you to log on and have a go at some of the tasks set. If you can't find your login details please email us and we will forward them over to you.

- **Reading**

comprehension – Please complete Set B: Test 1 in your CPG reading book

-

Writing

Task – Look at the first slide on page 4 of the writing booklet. The picture is of a dense forest/woodland.

Your

story starts here. Who are your characters? How did they get there? How could you include some suspense in your story? Short sentences and not giving too much away. Think about the different parts of the story: intro, build-up, climax, resolution and ending. Aim to complete 2-3 parts of your story today as we can write the rest tomorrow.

-

Online

programmes – You have access to Spag.com, TT Rockstars, Spelling Shed and My Maths, log on and use them daily. You were given all your log in details in the packs sent home but if you have any issues with log in details or passwords please contact us and we will try our best to resolve it for you.

-

SPAG –

After the maths section in the classroom secrets home learning pack complete the two pages on 'Identifying word classes in sentences' this can be completed directly on the sheet or you can complete the task in one of your exercise books.

Remember to plan in some breaks and to be active throughout the day. Just a reminder that these are suggested activities and you can decide how many to complete throughout the day.

Miss Jennings and Miss Hewitt
