

### **Thursday 23rd April**

Good morning Year 2 parents and children,  
What another great day of sunshine! It is great to see that some of you have logged into Mymaths already, how amazing. Also the work I have seen from the daily challenges has been great.

### **Today's challenges –**

- Have a go at doing 'cosmic yoga for kids' on YouTube.

<https://www.youtube.com/user/CosmicKidsYoga>

- Our last topic was pirates; unfortunately, we did not get to finish it. Create a pirates wanted poster! Draw a picture of your pirate, describe the pirate, create a reward if he/she is found, write about why he/she is wanted.

- • Try being a 'happiness reporter' today! If you can, record a video (otherwise write or draw) about what has made you happy during lockdown. You could interview siblings or parents on their views too.

Remember you can also practice times tables at TT rockstars, spelling on spelling shed, read for 20 minutes, exercise with Joe Wicks at 9.00am or listen to a David Walliams story at <https://www.worldofdavidwalliams.com/elevenses/>.

Have a great day!

Miss Hall
