

Thursday 2nd April 2020

Good Morning Year 1 parents and children,

Happy Thursday! I hope you have enjoyed your week so far.

Today's challenge is:

- We love counting in Year 1. This video is great for counting in 2s, 5s and 10s. <https://www.youtube.com/watch?v=WghTG10k1EU>
- Get five toys, put them in height order and or weight order.

Remember, these are activities to do if you so wish. If you are going to work through your learning packs, remember to include lots of breaks!

Stay safe.

Miss Divecha
