

Good morning Year 3 & 4,

Happy Thursday! I hope you have enjoyed your week so far. It has been lovely to see so many of you playing in the TT Rockstars tournament. Keep it going! Can you help to get your year group to at least 10,000 points? You've got until 6 pm this evening and the results will be announced in tomorrow's email.

Your daily challenge today:

- Write a review of your favourite film or one you have watched recently. What did you enjoy about it? What is the main plot? Who are the main characters? Who would you recommend the film to, adults, children or both? Remember to check your spellings!
- Design and make a paper plane. Have a competition with everyone at home. Record each distance traveled. Which paper plane went the furthest and why?

Enjoy your day and remember to take lots of breaks (children and adults). If you have any queries please feel free to email your teachers.

Stay safe

Miss May
