

**ay 9 Thursday 2nd April 2020**

Good morning! Did anyone else think Joe Wicks cutting out yesterday was an April fools trick? I just thought it was my terrible internet connection!

**Today's suggestions (remember they are just suggestions!)**

- Logon to spag.com, spelling shed and TT-rockstars- a few of you haven't logged on yet please let us know if you don't have your password. On Spag.com try to complete any of the live tests you have not yet tried.
- **Maths** ; complete 30 minutes of maths questions from your pack or you could try some online maths learning at

<https://www.themathsfactor.com/subscribe/>  
<https://thirdspacelearning.com/blog/home-learning-resources/>  
<https://numbots.com/covid19support/>

- **English:** Watch <https://www.bbc.co.uk/teach/live-lessons/blue-planet-live-lesson/zn7tkmn> and use the attached resources to make a leaflet about sharks. You could complete this on paper or in your book.
- **Verbal reasoning:** Try the next test in your 10 minute verbal reasoning book- let us know how you are finding them
- **Reading:** for 20 minutes – would you recommend this book to a friend? Why? Write a persuasive blurb to make someone else read it!
- **Science** : Watch <https://www.bbc.co.uk/bitesize/clips/zrp6n39> to find out about levers for our forces topic. Look around your house/garden and see if you can find other examples of levers and forces.

### **For today's challenge:**

Draw a detailed portrait of yourself. Use a mirror to get a good look at the main details, such as eyes, skin and teeth. You could use old magazines and other materials to make a collage of your portrait? Send us your pictures to see if we recognize you!

**Remember to email if you get stuck on anything or just want to say hello- we love hearing from you!**

Take care and keep smiling

The year 5 team
