

**Tuesday 21<sup>st</sup> April**

**Good morning Year 1 parents and children,**

How was your first day back to work after the Easter Holidays? I hope you took it easy and managed to start to get back into a routine. This week we have started to call you all to see how you are getting on and to say hello. At some point in the next two weeks you will also receive a new home learning pack, put it to the side and keep for until you done the pack 2. Yesterday I send email to all parents about your child's log in details for **'My Maths'** which is an online maths programme that you can use at home. We will set tasks for them to complete. There are lots of online webistes that have lessons on such as BBC bitseize who has just launched their new series of lessons. As well as <https://www.thenational.academy/> and white rose maths also have online maths lessons. <https://whiterosemaths.com/homelearning/>

Our daily challenges for today:

1. **Have a practice counting in 2s with this version of can't stop the feeling from Trolls.** <https://www.youtube.com/watch?v=9C4EN7mFHCK>
2. **Choose three sounds from any phase. Write 5 words that have that sound. Where do they come in the word- the beginning, middle or end? Is there a rule? Can you write them in a sentence?**
3. **Measure 5 things in your house. What will you use, ruler, tape measure, steps pencils? Which way was easier to measure?**

Have a great day and keep safe.  
Miss Divecha
