

Good morning Year 6,

How was your first day back to work after the Easter Holidays? I hope you took it easy and managed to start to get back into a routine. This week we have started to call you all to see how you are getting on and to say hello. At some point in the next two weeks you will also receive a new home learning pack, put it to the side and just like we have been doing you will receive an email to explain what tasks to complete and when. In the pack that you receive, there will be log in details for **'My Maths'** which is an online maths programme that you can use at home. We will set tasks for you to complete (like SPAG.com).

Here is what we would like you to complete today:

- **Maths** – Please complete pages 7 and 8 (Fraction of Amount) from the classroom secrets home learning packs. Once complete use the answer book to mark your work.
- **Reading comprehension** – Complete **Set A:Test 5** from the CPG SAT Buster book. Remember the answers are at the back of the book so that you can self mark and see how you are getting on.
- **Writing Task** – Linked to yesterday's writing task we would like you to draw a detailed picture of your robot (use the exercise book with blank pages) and label it.
- **Online programmes** – You have access to Spag.com, TT Rockstars and Spelling Shed, log on and use them daily. You were given all your log in details in the packs sent home but if you have any issues with log in details or passwords please contact us and we will try our best to resolve it for you.
- **Science** – Complete pages 9, 10 and 11 in the Science CPG book. The answers to these questions are in the middle of the book so please mark them after they have been completed.

Have a great day – remember to send any videos of you reading a short story/poem to Mrs Caplan.

Any questions please do not hesitate to ask.

Miss Jennings and Miss Hewitt
