

Tuesday 28th April 2020,

Good Morning Year 1 parents and children,

It looks like the sun has put its hat away for now, but it hopefully be back soon. In the meantime, Let's keep our spirits up.

It has been great to see so many of you log on MyMaths and shown some amazing scores. Make sure you are using the practice first to remind you!

*Today's challenge is:*

Today is superhero day.

- At the moment we have so many heroes who are helping us get through this pandemic. Doctors, nurses, care worker, postman, supermarket workers, police, transport drivers and there are many more.

Write down 5 questions you could ask some of these heroes?

- Create a super workout, Can you make up your own 5 minute workout for your family to try out? E.g. do 5 star jumpers, then 5 leg raises, then 6 step ups, then do 5 squat etc?
- Try be super: Phone or Skype a friend/family member - you may not be able to meet in person but you can still speak to and see each other online. You can pick a friend from school or a family member you have not spoken to for a while

Thank you to those of you who are sending us pictures and letting us know how you are getting along at home. We love to hear about what you are getting up to. Feel free to contact us if you have any questions etc.

Have a terrific Tuesday and keep safe

Miss Divecha
