

Tuesday 28th April

Good morning Year 2 parents and children,

We may have woken up to rain today but there's still lots of things you can do inside today!

I had so many emails yesterday sharing your children's work so thank you so much! It is such a lovely thing to see.

Today's challenges –

· Design a character. It could be a child, a superhero or even an alien. Remember to draw a picture of them and write a description about them.

· Phone or Skype a friend/family member - you may not be able to meet in person but you can still speak to and see each other online. You can pick a friend from school or a family member you have not spoken to for a while.

· Collect some coins from your money box, list the coins you have and find the total amount. Try to make the same amount using different coins.

Have a great day whatever you may be getting up to.
Miss Hall
