

Good morning Year 3 & 4,

A massive well done to those children who logged onto MyMaths yesterday as well as TT Rockstars! It was lovely to see your pictures of you reading your books in interesting places; my favourite was on top of a garden shed! Sadly the weather is a bit gloomier today but hope it doesn't dampen our spirits too much. We loved seeing Mrs Caplan's Walk to the Moon; it was lovely to see so many of Year 3/4 participate! Has anyone guessed who the mystery hiker was?

The Year 3/4 message video will be put onto the Oxhey Wood facebook page later today. Have a look out for your own videos and shout out from friends.

The teachers have ensured that there are new games and activities on Spelling Shed so please make sure you log on and have a go. If you are unsure of your log in details, email us and we will help you out.

Please continue using MyMaths this week, we have all been really impressed by the resilience shown as well as some amazing scores! Make sure you are using the practice first to remind you!

Daily challenges:

1. Take part in the Year 3 vs Year 4 tournament on TT Rockstars. Who will be the champions this time? The tournament will run until 6pm on Thursday evening with the winners being announced on Friday's email with a special shout out for the MVP's of each year group.
2. Learn a new skill. Learn how to tie your shoe laces, make a cup of tea/coffee for adults at home, make your bed, help to make a meal.

Thank you to those of you who are sending us pictures and letting us know how you are getting along at home. We love to hear about what you are getting up to. Feel free to contact us if you have any questions etc.

Miss May, Mrs Kent, Mrs Keddy
