

Tuesday 28th April 2020 , Day 7 Summer Term

Good Morning,

You might have woken up to rain rather than sunshine today but there's lots activities to keep you busy today!

Today we are continuing to practice our own stories based on 'The Game' Jumangi style. If you have not completed the first part of this writing pack (from last week) do that first – today you are up to page 17 of the booklet.

If you would like to try some more creative writing today Matt Haig can help you at <https://www.bbc.co.uk/bitesize/articles/zn8bgwx>

Mymaths is all about fractions calculations today – we have done this before!

After Maths and English today, why not travel around the world with a geography lesson at <https://www.bbc.co.uk/bitesize/articles/zk3nscw>

As well as the lessons on the BBC there are also some Maths, English and History lessons you can **watch** on iplayer at <https://www.bbc.co.uk/iplayer/episode/p089ny58/bitesize-911-year-olds-week-1-1-maths-and-history>

Daily Challenge: Staying with the rainbow theme

Animal

rainbow hunt This activity requires the internet or a good range of books of animals to find different animals for each colour of the rainbow. Can you find an animal for each colour of the rainbow? What is the most colourful animal you can find? Why are some animals colourful and some not?

Daily Reminders!

Remember you can also practice times tables at TT rockstars, spag and spelling at spag.com and spelling shed, read for 20 minutes, exercise with Joe Wicks at 9.00am, listen to the interactive radio show at <https://radioblogging.net/> at 9.30am every day. Have a break at 11.00am and try listening to a David Walliams story at <https://www.worldofdavidwalliams.com/elevenses/> or listen to a story like Harry potter and the philosopher's stone at audible stories <https://stories.audible.com/pdp/B017V54W6O>

You could also write (or draw) about the book you are reading to recommend it to others and try watching a mindfulness/meditation video for some quiet time.

Some fantastic challenges were sent to us yesterday and so many of you are doing brilliantly with mymaths everyday and practicing your story writing skills in 'The game' booklet – well done year 5! Keep playing TT rockstars – Will you be on Mrs Kent's will new leader board this week?

Have a great day!

Year 5 Team
