

Good morning Year 6,

I hope you all had a good day yesterday. It looks like the sun is having a little break; don't think I'll be doing my daily exercise outside today.

Here is what we would like you to complete today:

- **Maths** – Please

complete Set A: Puzzle in your CPG book. Once you think you have reached the answer mark your work using the answers at the back of the book.

Well done to those who have logged on to MY Maths and had a go at the tasks set. You should all have your My Maths login in details (they were delivered with the most recent home learning packs). We would like you to log on and have a go at some of the tasks set. If you can't find your login details please email us and we will forward them over to you.

- **Reading**

comprehension – After the SPAG section in your Classroom secrets home learning booklet there is a picture. Discuss the picture with someone in your house: *What can you see? What do you think the picture represents and why?* Then answer questions 1-6 in one of your exercise books (**we will complete question 7-12 tomorrow**). Remember you have the answer booklet to mark your work once you have finished.

-

Writing

Task – Today we would like you to finish the story you started yesterday and then once you have finished edit your work using purple pen. Did you give your story a title? If not try and come up with one as you will need it for a task tomorrow.

-

Online

programmes – You have access to Spag.com, TT Rockstars, Spelling Shed and My Maths, log on and use them daily. You were given all your log in details in the packs sent home but if you have any issues with log in details or passwords please contact us and we will try our best to resolve it for you.
