Let us know how the challenges went. Email, send us pictures, videos, messages and/or post on our Facebook page. **Oxhey wood Reception 2020** Which I think I have now changed so that you can add posts on.

We want to stay connected! If you email your teachers we will try to respond as promptly as possible, please be patient as many of us are working at school.

**Tomorrows challenge, if you chose to accept it is: Bonds to 10 bowling**

Make a bowling station with bottles, toilet rolls, cardboard rolled up, Duplo, toys, plastic cups. Anything will do. There needs to be 10 of the item.

Have a go at knocking them over with a ball, or any item you have around the house.

How many did you knock over? Write that number down.

4

How many more do you need to knock over to get all 10? Write that number down.

6

Can you see the sum it makes? Write it down if you want to.

$$4 + 6 = 10$$

Have a few more goes. See if you can get all 10!

Good Luck!
