

**Wednesday 1st April 2020**

Good Morning Year 2 parents and children,

Happy 1st of April!

Hope you are all well and are enjoying some of the activities in the emails/in your activity packs.

**Our daily challenges are:**

There is a maths challenge I have attached to the email. I love these kind of challenges and we love to do these kind of activities in school too.

- Create a journal about your experience during this strange time. Once a week, we would like you to record your day, how you and your family are feeling about what it is like to be a child during this period of self isolation. You can do this by drawing, writing, making a video, taking pictures. It is up to you. Can you include interviews with your family about how they are feeling, what you have been up to, has anyone experienced anything like this before? When this is over, it can be stored in a safe place to be shared in the future. You are part of history!
- A random act of kindness. Can you help an adult, a sibling? Help to tidy away, make a meal. We want to hear how you have been spreading kindness.

We love seeing all the activities you are completing so please continue to send in all of those.

Have a great day and stay safe.

Miss Hall
