

Good morning Year 3&4,

It is the first of April, April fools. Will you be playing any tricks at home today? We'd love to hear about them.

Your daily challenge for today:

- Take part in the TT Rockstars tournament- Year 3 V Year 4. Who will be the champions? It will last until Thursday and I will announce the winner in Friday's email. Good luck!
- Draw a self portrait. Carefully think about the proportions of your face, the colours that you use. What media will you use, pencil, crayons, paint? The teachers can't wait to see what you produce.

Enjoy your day. We look forward to hearing from you, what you've been up to and what you have learnt. Feel free to contact your teachers if you have any questions or would like some advice.

Regards

Miss May

Year 3 & 4 Teachers
