

Wednesday 22nd April

Morning Year 1,

Some of you would have received your new packs yesterday, if you didn't receive it yet you should get it within the next couple of days. Also we would still love some more videos of you reading or taking up the 'Walk to the Moon' challenge set by Mrs Caplan. Please email Mrs Caplan on mikkicaplan@oxheywod.herts.sch.uk or you can send them to her via Facebook messenger in the Oxhey Wood group It's a great to see that some have enjoyed and have explored MyMaths when you do log on to My Maths and have a go at the challenges set. Feel free to email me and let me know how you find it.

Our daily challenges:

- 1. Help your mum or dad with at least 3 things today and take some pictures to show you in action
- 2. Hide an object somewhere in the house. Using positional and directional language can you direct them to it. Using words like; right, left, up, down, top, on, under, between, first, second or anything similar. How many directions do they need? Can you make it shorter?
- 3. Yesterday was the Queen's birthday. If you were having a birthday in Lockdown. How might you spend it? What games could you make up? What would you choose to do all day. Make a birthday timetable.

Have a great day and keep safe.

Miss Divecha
