

Good morning Year 6,

Some of you would have received your new packs yesterday, if you didn't receive it yet you should get it within the next couple of days. When you do, log on to My Maths and have a go at the challenges set. Feel free to email me and let me know how you find it. In addition, we would still love some more videos of you reading or taking up the 'Walk to the Moon' challenge set by Mrs Caplan. Please email your video to mikkicaplan@oxheywod.herts.sch.uk or you can send them to her via Facebook messenger in the Oxhey Wood group.

Here is what we would like you to complete today:

- **Maths** – Please complete Testbase arithmetic test number 5. This should take you no longer than 30 mins. If you finish before this time check back through your answers to see if you can spot any mistakes before you self-mark.
- **Reading comprehension** – Please complete reading comprehension 'Joe White' in your exercise book.
- **Writing**
Task – Write a diary entry about how you are finding 'lockdown'. Think about all the diary entries we have written in class and use some of the techniques taught. Try to include emotive language.
- **Online programmes** – You have access to Spag.com, TT Rockstars and Spelling Shed, log on and use them daily. You were given all your log in details in the packs sent home but if you have any issues with log in details or passwords please contact us and we will try our best to resolve it for you.

Any questions please do not hesitate to ask.

Miss Jennings and Miss Hewitt
