

Wednesday 29th April

Good morning Year 2 parents and children,

I hope the rain is not ruining any fun you are having at home! I actually went for a run in the rain yesterday and found it very refreshing (didn't enjoy the wet hat and hair though).

Thank you again for all the lovely emails I am receiving and please don't forget if you want to see what other children are up to, we have an Oxhey Wood Facebook page you can join.

Today's challenges –

- Explore the garden, your local area or park if you are able to go out. How many animals can you find in their habitat? (if it doesn't rain today).
- Make a poster of 5 words you find tricky to spell. Put the tricky part in a different colour e.g. climb beautiful.
- A journey to another country! Interview a relative or neighbour to find out where they have been on holiday. What was it like when they got there? How did they travel there? Write a report about what you have found out. You may like to find photographs from the internet to make your report come to life!

Have a great day and keep safe.

Thinking of you all!
