

Good morning Year 3 & 4,

A massive congratulations to everyone taking part in the Year 3 vs Year 4 tournament. So far, the combined score is at 12,517! Year 3 are storming at ahead at the moment, so come on Year 4!

Continue to log in to Spelling Shed and MyMaths. To everyone that has already logged on- well done!

Your daily challenge:

1. It looks like it's going to be a bit of a rainy week, so if you are unable to get outside for your daily exercise you can create your own 5 minute work out or dance routine. If not, take inspiration from Joe Wicks' workout. <https://www.youtube.com/user/thebodycoach1> or Oti Mabuse who is teaching some great dance routines! <https://www.youtube.com/user/mosetsanagape> If you are feeling brave, maybe you want to video yourself!
2. As per Mrs Morley's email. Draw a self portrait. Keep it so when we come back to school we can make a great display of our Oxhey Wood community.

Enjoy the day, remember if you are working, little and often is much better than a big session. Remember to take lots of breaks and have fun through out the day and be kind. If you have any questions or queries, feel free to email us and we will endeavour to help you.

Miss May, Mrs Kent & Mrs Keddy
