

Hello Nursery,

How are you? Here are today's challenges.

Literacy Challenge:

Yesterday you learned some interesting facts about minibeasts.

Can you make your own minibeast factsheet?

Choose one of the minibeasts that you learned about yesterday.

Draw a picture of it –think carefully about how it looks –which colours will you need? How many legs does it have?

Now try to remember some interesting facts about it.

Tell a grown up your facts and ask them to write them down for you.

Can you tell them where to start writing? Can you tell them which direction to write in?

Maths Challenge:

Have another go at our ladybird counting game. Can you do even better than yesterday?

Go to www.topmarks.co.uk and type in 'ladybird spots' or copy and paste the link:

<https://www.topmarks.co.uk/learning-to-count/ladybird-spots>

Physical Development Challenge:

Move like a minibeast:

Can you crawl on your tummy like a caterpillar?

Can you fly around the room like a butterfly?

Can you scuttle on your long legs like a spider?

Can you jump like a grasshopper?

Can you think of any other minibeast movements to make?

I hope you've all enjoyed learning about minibeasts this week,

Have a lovely weekend,

Miss Aust and the Nursery Team
