

Dear Year 3&4, Parents and Carers,

It is FRIDAY! Another week down. We are so proud of you all for working hard at home, looking after each other and staying positive. We all have had good days and days when PJ's and movies are a must!

So today our daily challenges are:

1. Draw a picture or write a message to a friend and send it them either through email or in the post!
2. Have a reflection time together - what are you looking forward to? What are you missing? What have you enjoyed? It is really important we talk about how we are feeling so spend time together today!

Remember next week: home learning packs, MyMaths, Spelling Shed and TTRockstars - look out for the announcement on our Facebook page today.

Keep safe and big smiles today :)

Mrs Kent, Miss May and Mrs Keddy
