

Good morning Year 6,

It's Friday! I hope you have all had a good week and that you are looking forward to a restful weekend.

Here is what we would like you to complete today:

- **Maths** – Please complete **CPG Set B: Arithmetic Test**. Once finished use the answers to mark.

**My Maths** – I have set some more tasks on My Maths for you to work through. Try not to complete them all in one go – maybe pick one a day. The tasks set today expire on 18<sup>th</sup> May so you have a week to complete them.

**We still currently we only have less than half the children of each class accessing My Maths. If you need any support with this please do not hesitate to get in contact with one of us.**

- **Reading** – Please complete **CPG Set B: Test 6**. Once finished use the answers to mark.
- **Writing Task** – Choose 7 words from the Year 5 & 6 statutory word list and write some sentences using them. Can you write a sentence that includes more than one word?

**Challenge:** Create a wordsearch with the words you have chosen and get someone from your household to complete it.

- **Online programmes** – You have access to Spag.com, TT Rockstars, Spelling Shed and My Maths, log on and use them daily. You were given all your log in details in the packs sent home but if you have any issues with log in details or passwords please contact us and we will try our best to resolve it for you.
- **Science** – Please complete page 26 (Rocks) of your CPG science book.

Remember to plan in some breaks and to be active throughout the day. Just a reminder that these are suggested activities and you can decide how many to complete throughout the day.
