

Friday 1st May 2020

Good Morning Year 1,

We have reached the end of the week and well done to everyone (children and parents) getting here.

A massive congratulations to everyone taking part in the TT battle. The battle last until Sunday and I will announce the winning class and MVPs on Monday email. So far, the combined score is at 4,182! With 1 Darwin (Mrs Knight's class) leading by less than 100 points. So everything can still change.

Today's challenges:

- As per Mrs Morley's email. Draw a self-portrait. Keep it so when we come back to school we can make a great display of our Oxhey Wood community.
- After WWII there was a shortage of food so sweets were rationed for ten years! It ended on 4 February 1953 - draw and list your top 10 treats! Are you missing anything that is hard to get during lockdown?
- Can you think of name for each letter of the alphabet? For example, Aarya, Ben, Charlie ... This game can be written down or played verbally. You can also change the theme instead of names it could be animals, food, powers or anything else.

Well done for everyone's hard work all week. It is great to see photos of all your work, seeing your progress on MyMaths and hearing about your days. We enjoy being updated. If there are any questions please feel free to email us and we will endeavour to help.

Enjoy your weekend and hopefully the sun will come back soon!

Miss Divecha
